SUFFOLK POLICE SEEK ASSISTANCE IN LOCATING STOLEN VEHICLE

SUFFOLK, Virginia (August 2, 2012) The Suffolk Police Department is seeking the public's assistance in locating a vehicle which was stolen during a rash of thefts from vehicles and vandalisms which occurred late last evening and during the early morning hours.

The vehicle is a 2008 Honda Accord, 4-door, grey, bearing Virginia license plates XFR-3768. The vehicle was stolen this morning from the 3700 block of Pear Orchard Way between 3:00 and 6:00 a.m. Another vehicle belonging to the victims at that location was also broken into, with a phone reported stolen. Two other vehicles at that location were also broken into, with nothing stolen. There was no forced entry at these locations, which leads investigators to believe some type of tool was used.

Nearby, several additional vehicles were broken into in the 1000 and 3000 blocks of Belleharbour Circle. Vehicles at these locations had windows broken out with most victims reporting no items stolen but items tossed around inside and outside of the vehicles. Another vehicle in the 5500 block of Townpoint Road also had a window broken out and a backpack stolen, and a vehicle in the 6200 block of College Drive had a car radio, wallet and CDs stolen.

No one was injured in any of these incidents, and there are no suspect descriptions.

Detective K. Hutt is the lead investigator, and can be reached at 514-7934.

Anyone with information is asked to contact Crime Line at 1-888-Lock-U-Up. When calling Crime Line, callers do not have to give their names or appear in court. If information leads to an arrest, the caller could qualify for a reward of up to \$1,000.
